Our Academy Committee

Julie Hebblewhite – Chair of Governors

Hello, I have been a Community Governor for the last 5 years, during which the school has seen many changes which have, I believe, been greatly beneficial to the education and personal development of the children. The role of governors is to support and challenge the school team to ensure that the children continue to receive a high quality of education and it is a privilege for me to be involved in this. As Chair, I will support the other Governors and the school staff in our vision of helping the children at Wrawby to be the best that they can be.

Lynsey Freear – Parent Governor

Hello, I started as parent governor at Wrawby in March 2025. I have two children who currently attend the school. I have worked as a Finance Manager within the central team of a Multi Academy Trust for 9 years with a focus on supporting our schools to set a balanced budget to ensure all children receive the best possible education with the best possible resources available.

I am also the treasurer of Wrawby Under Fives Association, and I have enjoyed visiting both the preschool and the school and seeing the impact that a good quality education has on the children.

Reverend Julie Wearing – Ex-Officio Governor

Hello, I grew up in Birmingham and studied Applied Biology at Sheffield and Coventry Polytechnics. I began my career in the pharmaceutical industry. My work involved supporting pharmaceutical companies in the UK and internationally.

After nearly 20 years in the industry, I responded to a call to ordained ministry. I trained at Cranmer Hall, St John's College, Durham, gaining a BA in Theology and Ministry in 2012, the year I was ordained. I served my curacy in three churches in the multicultural, urban parish of Upton-cum-Chalvey in Slough, where I gained valuable experience of working ecumenically and with people of different faiths. I later gained an MA in Ministry and Theology in 2015.

Since then, I have served parishes in Lincoln and Scunthorpe before becoming Priest-in-Charge of St John the Evangelist, Brigg, and St Mary's, Wrawby and Cadney.

Alongside parish ministry, I have served as a chaplain to Lincolnshire and Humberside Police, and to the RAF Air Cadets. I continue my Air Cadet chaplaincy with 2222 Brigg Squadron.

Sarah Wormald – Staff Governor

Hello, as a former pupil of Wrawby St Mary's I was delighted to join as a teacher in April 2022 and have since taken on the role of SENDCo. Throughout my career, I have taught in both Key stages gaining experience and an understanding of the depth of knowledge children learn throughout their primary experience. I strive to ensure that all children in our school are happy and have the most positive experience, both academically and socially. I am married and I enjoy spending time with my family, watching films and baking. I look forward to making a positive difference to the children at Wrawby St Mary's and helping them strive to be the best that they can be.

Darrell Brown – Headteacher

Hello, I am the Headteacher at Wrawby St. Mary's CE Primary School. I joined the school as Head of School in September 2021 and have had the privilege of leading our wonderful school community ever since. Having worked in education for over 17 years, I remain passionate about creating opportunities that allow every child to thrive academically, socially and emotionally.

At Wrawby St. Mary's, we are proud of our caring and inclusive environment where every child is known, valued and encouraged to achieve their very best. I firmly believe that children learn most effectively when they feel safe, happy and inspired, and it is our aim to nurture confidence, resilience and a lifelong love of learning in each and every pupil.

Working alongside our talented and dedicated team of staff, we have developed a curriculum that is engaging, ambitious and relevant to the world our children are growing up in. We strive to challenge and inspire our pupils while helping them develop as the **pioneers and leaders** of the future. Through meaningful links with employers, local businesses, our church and the wider community, children are encouraged to develop important life skills alongside their academic learning, preparing them for the opportunities and challenges that lie ahead.
