

Our Academy Committee

Julie Hebblewhite – Chair

Hello, I have been a Community Governor for the last 4 years, during which the school has seen many changes which have, I believe, been greatly beneficial to the education and personal development of the children. The role of governors is to support and challenge the school team to ensure that the children continue to receive a high quality of education and it is a privilege for me to be involved in this. As Chair, I will support the other Governors and the school staff in our vision of helping the children at Wrawby to be the best that they can be.

William Slatter – Community Governor, Vice Chair

Hello, my name is William Slatter I have been the foundation governor at Wrawby school for over two years now, my role is to be a link between the church and the school. My wife and I have been members of the congregation at Wrawby Church along with our two children for over 8 years. I am originally from Suffolk but moved to the area 15 years ago for my job in food production planning. My family and I believe strongly in the importance of being active members of the community and I hope in my role as governor I can help the school go from strength to strength.

Lynsey Freear – Parent Governor

Hello, I have recently started as parent governor at Wrawby in March 2025. I have two children who currently attend the school. I have worked as a Finance Manager within the central team of a Multi Academy Trust for 8 years with a focus on supporting our schools to set a balanced budget to ensure all children receive the best possible education with the best possible resources available.

I am also the treasurer of Wrawby Under Fives Association and I have enjoyed visiting both the preschool and the school and seeing the impact that a good quality education has on the children.

Reverend Julie Wearing – Ex-Officio Governor

Sarah Wormald – Staff Governor

Hello, as a former pupil of Wrawby St Mary's I was delighted to join as a teacher in April 2022 and have since taken on the role of SENDCo. Throughout my career, I have taught in both Key stages gaining experience and an understanding of the depth of knowledge children learn throughout their primary experience. I strive to ensure that all children in our school are happy and have the most positive experience, both academically and socially. I am married and I enjoy spending time with my family, watching films and baking. I look forward to making a positive difference to the children at Wrawby St Mary's and helping them strive to be the best that they can be.

Darrell Brown – Headteacher

Hello, I have been Head of School at Wrawby St. Mary's since September 2021 and have been in education for over 16 years. I was promoted to Interim Headteacher in April 2025 and took on the Headship from January 2026. It is my privilege to work with the children and families in our school community.

We have worked together to build a team of dedicated and nurturing staff to challenge and engage our learners as we help to create the pioneers and leaders of our future. We utilise opportunities through the world of work to encourage our children to learn wider life skills as well as the National Curriculum objectives to allow a broad and balanced curriculum offer in partnership with the church and the local community.
